

EVOLVING BEYOND
IMAGINATION

Vekoma Rides Manufacturing www.freizeitparkarchiv.de

A Rich History, A Thrilling Future

Vekoma Rides Manufacturing is one of the world's leading designers and manufacturers of roller coasters, high thrill rides and family rides. Some of the many successes Vekoma has brought to the market include such all-time favorites as the Boomerang, Invertigo, Suspended Looping Coaster and Junior Coaster, plus, Vekoma's recently introduced

innovations, the LSM (Linear Synchronous Motor) coaster and Flying Dutchman, are driving the roller coaster industry of the future. Vekoma's history and present prove that it strives to expand the development of its existing rides, in addition to leading creative and technological innovation for entertainment venues and amusement parks throughout the world.

Boomerang

Base: 88m x 30m
Track length: 286m
Train capacity:
1 x 7 coaches x 4 persons
Theoretical capacity:
750 persons per hour

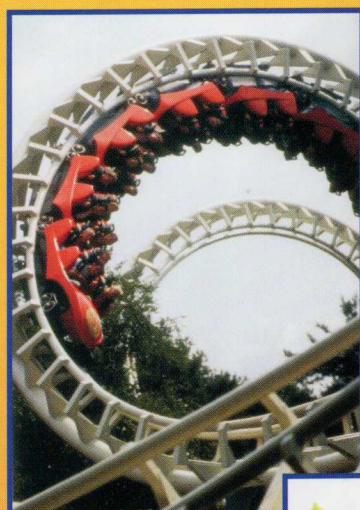

Invertigo

Base: 88m x 34m
Track length: 300m
Train capacity:
1 x 7 coaches
x 4 persons
Theoretical
capacity:
840 persons
per hour

Looping Coaster

Base: 68m x 42m (min)
Track length: 418m (min)
Train capacity:
1 x 7 coaches x 4 persons (min)
Theoretical capacity:
800 persons per hour (min)

Suspended Looping Coaster

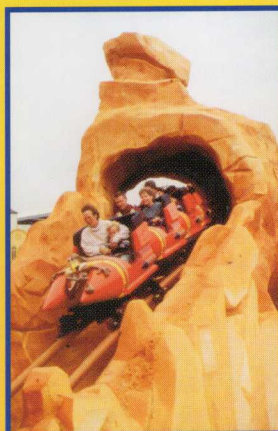

Base: 110m x 48m
Track length: 662m
Train capacity:
2 x 10 coaches x 2 persons
Theoretical capacity: 1070
persons per hour

FAMILY COASTERS

Junior Coaster (3 standard sizes)

Base: 37m x 20m
Track length: 85m
Train capacity: 1 x 5 coaches x 2 persons
Theoretical capacity: 670 persons per hour

Base: 49m x 28m
Track length: 207m
Train capacity: 1 x 8 coaches x 2 persons
Theoretical capacity: 700 persons per hour

Base: 52.5m x 30m
Track length: 335m
Train capacity: 1 x 8 coaches x 2 persons
Theoretical capacity: 550 persons per hour

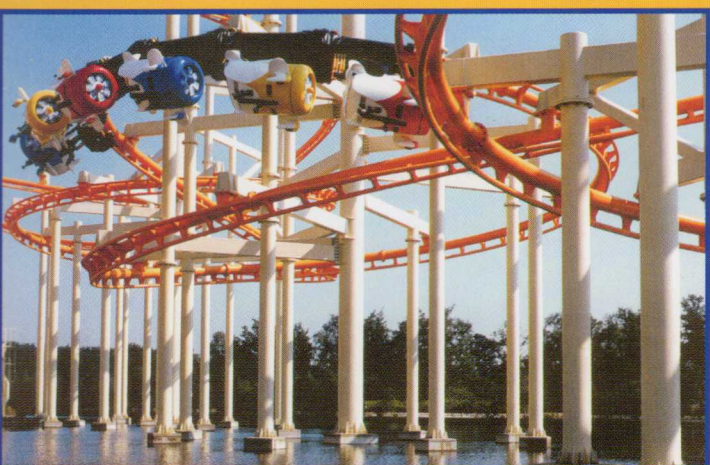

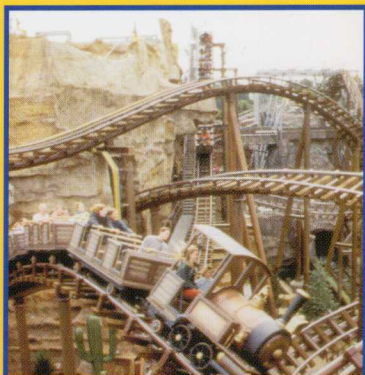

Suspended Junior Coaster

Base: 52.5m x 30m Track length: 342m
Train capacity: 1 x 10 coaches x 2 persons
Theoretical capacity: 650 persons per hour (optional 2nd train)

Mine Coaster

Base: 85m x 70m
Track length: 785m
Train capacity:
3 trains of 1 loco x 2 persons
+ 4 coaches x 6 persons
Theoretical capacity:
1600 persons per hour

Swinging Turns

Base: 88m x 38m
Track length: 600m
Train capacity: 2 x 6 coaches x 4 persons
Theoretical capacity: 1220 persons per hour

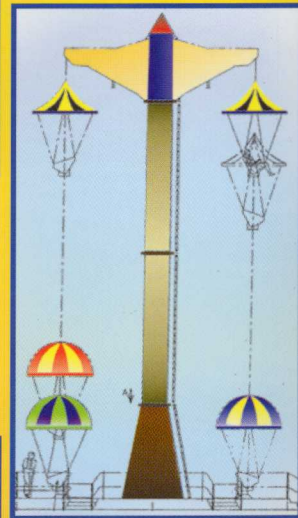

Giant Wheel

Base: 40m x 30m
Wheel diameter: 42.4m
Gondola capacity:
40 x 6 persons
Theoretical capacity:
1400 - 1900 persons per
hour

Mini Para Tower

Base: diameter 14m Height: 19m
Parachute capacity:
6 x 3 children or 2 adults
Theoretical capacity:
500 to 680 persons per hour

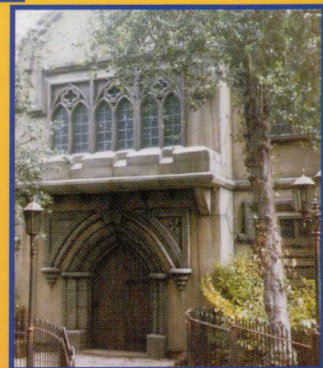

Madhouse (78 seats)

Base: 19m x 13m
Rotating house: 12.3m x 10.8m
Gondola capacity: 78 persons
Theoretical capacity:
1560 persons per hour

Madhouse (40 seats)

Base: 11m x 10m
Rotating house: 8m x 9.5m
Gondola capacity: 40 persons
Theoretical capacity:
890 to 1200 persons per hour

Sky Shuttle

Arm length: 40m / max. height: 50m
Capacity on platform: 110 persons / 1500 persons per hour

Latest Innovations

Cliffhanger

Base: 116m x 70m / Track length: 568m
Train capacity: 2 x 6 coaches x 4 persons
Theoretical capacity: 1216 persons per hour

Giant Inverted Boomerang

Base: 77m x 30m Track length: approx. 367m
Train capacity: 1 x 8 coaches x 4 persons
Theoretical capacity: 1010 persons per hour

Flying Dutchman

Track length: 848m
Train capacity: 2 x 6 coaches x 4 persons
Theoretical capacity: 1090 persons per hour

Hammerhead Stall

Base: 75m x 18m
Track length: 165m, 60m height
Coach capacity: 2 coaches x 14 persons
Theoretical capacity: 800 persons per hour

Flying Dutchman - 4 seater

Track length: 562m
Train capacity: 2 x 7 coaches x 4 persons
Theoretical capacity: 1250 persons per hour

LSM Coaster

Base: 135m x 58m
Track length: 1000m
Train capacity: 2 x 6 coaches x 4 persons
Theoretical capacity: 1065 persons per hour

River Adventure Ride

Track length: 250m
Vehicle capacity: 16 vehicles x 17 persons
Theoretical capacity: 1600 persons per hour

Wooden Coaster Train

Train capacity: 2 x 4 coaches x 6 persons

Creative Visions...

Exciting Realities

Vekoma Rides Manufacturing, is an expert in the entertainment industry and a global leader in the creation of a great variety of rides.

High thrill coasters and family coasters, from design, engineering and manufacturing to the maintenance and service of ride systems. Together with our new partner, we have a stronger financial and operating structure and with this we have created an ideal synergy by combining technology and capacity of both companies.

Whether you are seeking a family oriented ride or a high thrill ride, Vekoma Rides Manufacturing will be able to assist you and can accommodate your park and ultimately your guests. In this brochure you will find a reflection of our rides already installed or in the process of being installed, all over the world. Our team of experienced staff will be able to assist you in making the right choice for your new attractions and developments.

We look forward meeting you!
